**Comments:**

7/3/00 - Tony spoke w/Will Stokes of SITLA regarding status of this project. Will inspected site during fall of 1999 and found no disturbance. SITLA canceled their lease on 11/24/99 and closed their file. Based on this information, DOGM will now close our file for this project as well.  
8/20/99 - Received request from operator to inspect and close file.  
8/6/99 - Phone call from operator. He cannot find his bill. Resent billing statement to PO Box.  
6/30/99 - Sent certified letter stating must respond to status of mine site or pay 1998 and 1999 permit fee by 7/30/99 or will be sent to Utah Office of Debt Collection - and they will be responsible for past due interest, penalties, and a collection fee. Revocation of permit will not release operator from any outstanding reclamtation requirements on the project area.
